

REVIEW OF THE TOMLINSCOTE WEEK

19th June 2017

Dear Parents and Carers

The sun came out for our Sports Day on Tuesday and all students in Years 7-10 had the opportunity to represent their forms in a number of different events. It was an excellent day with 7 new school records and personal bests for a number of the students. It was great fun and a good opportunity to see students perform to their very best.

A successful challenge for Aidan

Year 10 student Aidan joined Rotarians from across the country recently to 'Climb The O2' as part of his Duke of Edinburgh Bronze Award, raising money for End Polio Now and Roll Out The Barrel Trust.

End Polio Now's aim is to eradicate Polio from the world. Money raised is being tripled by the Bill & Melinda Gates Foundation. Roll Out the Barrel provides easily transportable water containers making clean water, essential for life, available to people in remote places.

The 30-degree slope of the roof had been no problem for the ascent to the flat surface at the top, where Aidan paused for pictures. However a similar slope down the other side proved to be more daunting, with Aidan mostly walking down backwards. Nevertheless, he successfully completed the challenge, raising more than £300 from his sponsors. Well done Aidan!

Year 10 Gifted & Talented event

On 25th May, forty eight Year 10 G&T students took part in two workshops. The first workshop was an 'Escape Room' where they had to solve puzzles and riddles as a team to escape the room before the time was up. The winning team; Zaria Zaman, Luke Manning, Orla Mair and Georgina Withers, stormed through the puzzles with ease.

The second workshop was to create a child's story book. All the students created amazing stories using their creative writing and artistic skills. The story books will be completed and taken to Fleet Infant School where the Year 2 pupils will judge their favourite. All in all, the students were truly amazing and showed their true talents.

Tennis success at Tomlinscote

We have had some fantastic tennis participation over the past few weeks.

We entered a Year 9 & 10 team into the Surrey League tennis competition again this year. Our first match was against Reed's School on 18th May. The boys played in very difficult and wet conditions and, although they fought hard, they ended up losing the match 6-0. The team bounced back from the loss and played Hampton School on 24th May, beating them 6-0. The team players were Josh Davis-Lye, Will Meier, Robert Leemans and Cirrus Morris.

We also entered two Year 10 teams into the District competition on 8th June. The Year 10 girls (Panna Eles and Ines Goncalves), having never entered a tennis competition before, played really well and came 3rd in their group. The Year 10 boys (Josh Davis-Lye and Will Meier) won their group and went through to play Salesian in the Finals. They had to dig deep in the Final, but won the match and came away as **District Champions**.

In addition, a group of Year 7 & 8 students helped with the officiating and organisation of the annual Year 3 & 4 Surrey Heath District Tennis competition in Camberley on 7th June. They set up the courts, officiated the matches and organised final scores. They all did a fantastic job and were a credit to the school, receiving praise from David Gill, Camberley Tennis Club, and from the teachers from the local primary schools participating in the event. The students who represented Tomlinscote were: Year 7: James Winship, Joseph Johnson, Polina Rozman and Year 8: Arjun Mandair, Ben Fuller, Nathan Lewis, Tom Ellner, Jack Ryan, Jack Paterson, Liam O'Hara, Evie Green, Emilia Odgers, Josie Luximon and Rachel Anstee.

Further Tennis success for Tomlinscote student - Jamie Forrest (Year 9)

Congratulations to Jamie for reaching the Semi Final of the National U14 Boys' doubles. Unfortunately he lost a very close match 7-6 5-7 and third set on match tie break. Recently, he played his first Regional U18 Tournament winning his first 3 matches and beating the number 1 seed in the Quarter Finals. These excellent performances now move him 10 to 12 places up the LTA ranking. Keep it going Jamie!

Bowling success for Ben Robinson (Year 8) - National Champion

Congratulations to Ben who competed in the National Junior Bowling Championships in Dunstable. Ben played 9 games of bowling in the Under 16s division and he eventually won the overall division. This is an amazing achievement for a 13 year old and very few people can call themselves a National Champion. Well done Ben!

Accelerated Reader success

Congratulations to Eva Brock 7G who has successfully completed an amazing 24 quizzes since the Easter holidays. Also, well done to Alexander Doney 7M for successfully completing 7 quizzes since Easter.
